The Honorable Carol M. Browner
Administrator
United States Environmental
Protection Agency
401 M Street, SW
Washington, DC 20460

Dear Ms. Browner:

Re: Semi-annual Compliance Certification, 40 CFR § 63.311(d)

For the U. S. Steel Clairton Works, for the compliance reporting period
January 1, 1994 to June 30, 1994, please be advised of the following:

- There was no gas vented, except through the bypass/bleeder stack flare system during the reporting period.
- There were no startup, shutdown, and malfunction events during the reporting period.
- Work practices were not required to be implemented under § 63.306.

Sincerely,

Charles G. Carson III
